ALBA

The islands are home to lots of wildlife and many ground nesting birds such as oystercatchers.
Please take care while enjoying our natural spaces to minimise disturbance to all breeding
birds during the months of April to August.

Did you know that in the islands, the birds speak Gaelic?
Listen to what they are saying!

BI GLIC! BI GLIC!
BE WISE! BE WISE!

When birds fly away, call or dive, they are asking for space!

Listen to the birds and be wise.
